Indiana EVV

Soft Launch and Go-Live

2019 *September* — **Soft Launch**

Sandata will accept any providers that wish to begin EVV

Claims continue to post and pay according to current guidelines

2019 *December* — **Go-Live Prep**

Final training for providers and any final communication made to providers and members

2020 *January* — **Go-Live**

Claims will now deny based on EVV rules

2020 *February* — **Monitor EVV**

Monitor the EVV project and look for inconsistencies with claim processing and accounts receivable recoupment

2020 *March* — **Support Phase**

Ongoing help desk and maintenance will continue from this point forward
